Introduction to 2022 Summary of Benefits

Which doctors, hospitals, and pharmacies can I use?

Samaritan Advantage Conventional Plan (HMO), Samaritan Advantage Premier Plan Plus (HMO) and Samaritan Advantage Premier Plan (HMO) have an extensive network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can view our pharmacy directory and use our online tool to search for in-network providers at our website ([medicare.samhealthplans.org](https://www.medicare.samhealthplans.org)). Or, call Customer Service to request a copy.

Out-of-network/non-contracted providers are under no obligation to treat Samaritan Advantage Health Plan members, except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

If you have any questions about these plan's benefits or costs, please contact Samaritan Advantage Health Plans at 800-832-4580 (TTY 800-735-2900) for details.

2022 Summary of Benefits

Coverage Gap

You enter this phase once you and the plan pay a combined total of \$4,430. Not everyone will enter the coverage gap.

After you enter the coverage gap, you pay 25% of the plan's cost for covered brand name drugs and 25% of the plan's cost for covered generic drugs until your costs total \$7,050, which is the end of the coverage gap.

You will pay these cost shares until you leave the coverage gap phase.

For generic drugs, only the amount you pay counts and moves you through the coverage gap. For brand drugs, the amount you pay, and the amount discounted by the manufacturer count toward your out-of-pocket costs as if you had paid them and moves you through the coverage gap.

Samaritan Advantage Conventional Plan (HMO)

There is no prescription drug coverage on this plan.

Samaritan Advantage Premier Plan (HMO)

You pay 25% of the plan's cost for covered brand name drugs and 25% of the plan's cost for covered generic drugs.

Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 541-768-4550, or toll free 800-832-4580 (TTY 800-735-2900).

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit **medicare.samhealthplans.org** or call 541-768-4550, or toll free 800-832-4580 (TTY 800-735-2900) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copays/coinsurance may change on January 1, 2023.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
